

Why consider:

In a VUCA world, HR product owners need to manage innovation and quality of their products from their customers' perspective. Journey Networks are the most effective way to do so: Exchange on latest innovation with product owners of peer companies, co-creation of solutions to common pain points, organized in quarterly releases of journey maps.

Journey Networks:

- Joining & Onboarding (as of 1 Jan 2019)
- Learning (as of 1 Jan 2019)
- Managing My Team (as of 1 Jan 2019)
- Performing (as of 1 Jul 2019)
- Advancing (as of 1 Jul 2019)
- Consuming HR Services (as of 1 Jul 2019)

Services:

- Journey map templates (PDF, updated 4x per year)
- 2 seats in journey design thinking workshop (2 days)
- 3 x 2 seats in sprint reviews (virtual 1/2 day meetings)
- 10 users for mobile platform
